

Default Question Block

Winternship 2021 Company Match Preferences

Thank you for participating in the Match Event! We hope that you enjoyed getting to meet our students.

Please use this form to submit a list of students that you would strongly prefer to have on your Winternship team and a list of students that you would strongly prefer not to have on your Winternship team.

To create balanced teams, we will consider your preferences, student preferences, and team fit. Including a student does not guarantee that they will be on your Winternship team.

If you have any questions, please contact winternship@cornell.edu

Due by 6PM on Thursday, October 22.

Is there any other feedback you would like to offer about the Match Event? Are there ways we could make it better?

This year, Break Through Tech New York moved up the company host commitment deadline significantly, to October 1, in response to last year's feedback.

Do you believe this is/will be better for your organization, or was it a barrier to your participation you had to overcome? What commitment date would be ideal for your organization?
