## EMPLID

## Email Address

Please use the same email address that you used on your application.

Are you interested and available to participate in the Winternship 2021 program?

○ Yes, I am interested and available.

○ No, I am no longer able to participate in the Winternship 2021 program.

Are you interested and available to participate in the Winternship 2021 program?

○ Yes, I am interested and available.

○ No, I am no longer able to participate in the Winternship 2021 program.

**Pronouns**
Select all that apply.

☐ she/her/hers

☐ he/his/him

☐ they/them/their

☐ ze/zir/zis

☐ Other (write in below) [              ]

**Do you need to borrow a laptop during the Winternship program?**

You will need a computer to participate in all of the Winternship workshops. Depending on the organization you work for, you might also need a computer during your Winternship. We do not recommend sharing a device or using Chromebooks or tablets. If you need a computer, Break Through Tech has

laptops available to borrow during the Winternship program.

[ dropdown ]

## Do you need to borrow a webcam during the Winternship program?

Students are expected to have their video on during all Winternship activities. If your computer does not have a webcam or your webcam is broken, Break Through Tech has external webcams available to borrow during the Winternship program.

[ dropdown ]

## Do you need to borrow a hotspot during the Winternship program?

Your internet should be able to support video conferencing for several hours a day. If you do not have access to internet and/or your internet is unstable, Break Through Tech has hotspots available to borrow during the Winternship program.

[ dropdown ]

Do you currently have a government-issued ID? (Driver's license, State non-driver ID, passport, etc.?)

○ Yes
○ No

## Match Questions

**Which, if any, of the following programming languages are you already COMFORTABLE using on your own? Check all that apply.**

☐ None

☐ CSS

☐ C++

☐ C#

☐ HTML

☐ Java

☐ JavaScript

☐ Objective-C

☐ Perl

☐ PHP

☐ Python

☐ Ruby

☐ Scala

☐ Swift

☐ Other, please specify: [                    ]

**Which of the following technical areas are you most interested in learning about during your Winternship?** Select at least three and up to five.

☐ Cybersecurity

☐ Data Analysis (e.g. analytics, governance, mining, visualization)

☐ IT Support (e.g. updating software, managing help desk tickets)

☐ Machine Learning or Artificial Intelligence

☐ Market Research or Strategy (e.g. customer or market trends research)

☐ Program Management (e.g. designing or improving policies, protocols, and processes)

☐ Product Design (e.g. UI & UX design, user research, conceptualizing new tech products or services)

☐ Product Management (e.g. product research, testing, and evaluation)

☐ Software Engineering

☐ Other (Please specify) [                    ]

## BTT Core - Baseline attitude questions (for affective outcomes)

## Before Winternship begins, we're interested to know how you feel

# about computing.

*Computing* refers to academic and job-related activities that involve coding, software engineering, information technology, artificial intelligence, data science, or some other application of computer science knowledge and skills.

**Please indicate the extent to which you disagree or agree with the following statements about computing.**

## I feel like I "belong" in computing.

○ Strongly disagree

○ Somewhat disagree

○ Neither agree nor disagree

○ Somewhat agree

○ Strongly agree

## I feel welcomed in computing.

○ Strongly disagree

○ Somewhat disagree

○ Neither agree nor disagree

○ Somewhat agree

○ Strongly agree

## I feel like an outsider in computing.

○ Strongly disagree

○ Somewhat disagree

○ Neither agree nor disagree

○ Somewhat agree

○ Strongly agree

**I am confident that I can learn the foundations and concepts of computing.**

○ Strongly disagree

○ Somewhat disagree

○ Neither agree nor disagree

○ Somewhat agree

○ Strongly agree

## The next questions ask what you think about a future in computing.

**How likely are you to seek (or complete) a MAJOR in computing?**

○ Not at all likely

○ A little likely

○ Somewhat likely

○ Likely

○ Very likely

**How likely are you to seek (or complete) a MINOR in computing?**

○ Not at all likely

○ A little likely

○ Somewhat likely

○ Likely

○ Very likely

**How likely are you to pursue a CAREER that requires computing knowledge and skills?**

○ Not at all likely

○ A little likely

○ Somewhat likely

○ Likely

○ Very likely

**BTT Local - Media & Eligibility**

**Break Through Tech New York Media Release.**

I hereby authorize Break Through Tech and its partners, including, but not limited to, Cornell Tech and The City University of New York (collectively, "Break Through Tech and partners") to:

Photograph, videotape, and/or audiotape me;
Use, modify, reproduce, publish, exhibit and/or distribute any and all such recordings, or permit others to do so, in whole or in part, in any manner or medium now known or hereafter developed (including without limitation, the

classroom, print publications, webcasts, podcasts, television, websites, and advertising media), an unlimited number of times in perpetuity throughout the world, for any purpose that Break Through Tech and partners may deem appropriate, including without limitation educational and advertising and promotional uses; and

Use or license others to use my name, image and biographical material in connection with any such recordings or uses, but not as an endorsement of any product or service other than those provided by Break Through Tech and partners.

I hereby waive the right to inspect or approve any such recordings and uses. I understand that Break Through Tech and partners will be the owner of all rights in and to such recordings and uses, subject to the restrictions described in this consent and release, and retain the right not to use the recordings for other than archival purposes.

I hereby release and hold harmless Break Through Tech and partners from liability for any and all claims by me in connection with Break Through Tech and partners' activities as authorized by this consent and release.

I am age 18 or older, or if I am under the age of 18, my parent or legal guardian will review this form and act on my behalf.

I have read and fully understand the terms of this consent and release.

```
[                                                              ⇕ ]
```

**Please review the Break Through Tech New York Code of Conduct and indicate your agreement.**

**Type your full name below to confirm that you meet all of the eligibility requirements for the Winternship program.**

**Eligibility Requirements**

- Undergraduate, degree-seeking student at a CUNY college
- Enrolled in at least 1 course at a CUNY college during the Fall 2020 semester
- First Year / Freshman, Second Year / Sophomore, or Junior
- Good academic standing (2.0+ GPA)
- 18+ years of age by November 1, 2020
- Interested in pursuing a career in tech
- Living in the United States in January 2021
- Identify with an underrepresented group in tech

| |
|---|

**Type your full name below to agree that you will be available for and participate in all Winternship program commitments.**

Participation in the Winternship program includes three workshops during the Fall 2020 semester, full-time employment (Monday - Friday, 9am - 5pm) from January 4 - 22, one workshop during the Spring 2021 semester, and the Winternship Celebration in February.

In addition to attendance, Winterns also agree to:

- Adhere to host site working hours and meeting expectations, such as use of video in meetings, sending daily reports, etc., and to report to their Winternship every day.
- Complete all surveys and forms requested by Break Through Tech New York and host sites.
- Communicate in a timely manner with their host site supervisor and Break Through Tech New York staff in the event of illness or other circumstances preventing participation.

Appropriate accommodations are available to students with religious and other personal obligations.

Winterns who do not meet the above expectations may be removed from the Winternship program.
